

Education

- 2007–2008 **French baccalauréat**, *Lycée Georges Clémenceau*, Montpellier, *Sciences option*.
Focus on mathematics, physics and biology. With distinction.
- 2008–2010 **Diplôme universitaire technique**, *University of Montpellier II*, *Computer Sciences*.
The DUT consists in two years at the university with a strong technical knowledge.
- 2010–2011 **Licence professionnelle**, *University of Montpellier II*, *Computer Sciences*.
The LP is one extra year with focus on technical knowledge and real-world problems-solving.

Experience

Professional

- 2011 **UI Developer**, *Fanhattan Inc.*, San Mateo, CA, USA.
Worked in close collaboration with the designers to render their exact mockups of the Fanhattan project, a multi-platform application to enable content discovery in the cloud. Developed mostly for iPad and Android 3.0.
See <http://fanhattan.com>.
- 2011 **Summer of code student**, *Google*, Montpellier.
Worked for the GNOME project on GNOME Shell, integrating a multi-timezone clock and a weather applet on the shiny new desktop. Involved C, Javascript and UI Design skills.
See https://live.gnome.org/freesteph_Libgweather_GnomeShell
- 2010 **Summer of code student**, *Google*, Montpellier.
Worked for the GNOME Project on Ease, a presentation tool inspired by Apple's Keynote, programmed in Vala with the GTK+ toolkit and the Clutter animation library.
See live.gnome.org/Ease.

Personal

- 2010 **Contributor**, *The GNOME Project*, Montpellier.
Trying to contribute in all areas (translations, documentation, bug-reporting, coding). Also contributed to some related applications (PiTiVi, LottaNZB), and coded small games.
See live.gnome.org/StephaneManiaci

Computer skills

Programming	C, Python, Java, C++, Objective-C	Database	PostgreSQL, Oracle, PL/SQL
Web	HTML, CSS, PHP, Javascript, AJAX	Modeling	UML 2
Toolkits	GTK+, Clutter, Qt, Swing	Workflow	Git, Shell, UNIX tools
System	GNU/Linux, Microsoft Windows	Other	LaTeX, AWK

Languages

English	Fluent
French	Native language
Spanish	Good notions

Interests

- Sports Tennis, biking, skateboarding and dancing.
- Music Playing guitar, ukulele and piano, singing.
- Photography Owner of a brilliant Lumix GF1. *See www.flickr.com/photos/freesteph*
